Artistic design Services

This slide tells about what we provide and permit to fulfil your expectations.

Our Process

This slide highlights company's process which includes four stages.

The process starts with a consultation to understand the client's needs, preferences, and budget. Then we conduct a site analysis to assess the space's condition followed by developing a concept, including mood boards and layout plans, and creates detailed plans and 3D renderings. After client approval, we source materials and coordinate with suppliers and contractors. During implementation, Our team manages the project to ensure it aligns with the plans. The process concludes with a final walkthrough to make any adjustments and ensure the client is satisfied with the completed space.

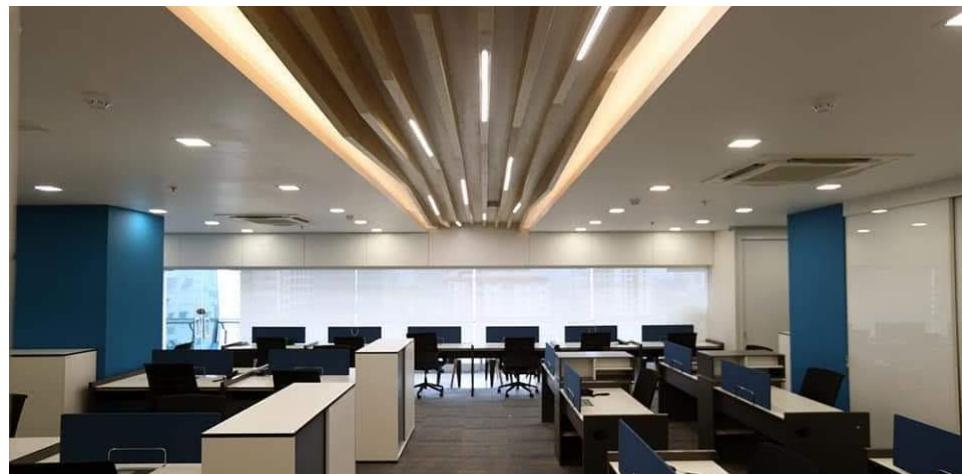

“At Studio 9 we believe that every space has potential to be the extraordinary . Let’s work together to bring your vision to life ”

• Client Testimonial

“Working with Studio 9 was an absolute pleasure . Their attention to detail and creativity resulted in a space that exceeded our expectations”

-Dr. Avantika Dubey

“Ar. Mitesh Bhojani has added glitters to our life with amazing designs for our home by great execution. They designed simple and minimalistic interiors without compromising on storage solutions.”

-Raju Bhai Vyas

“My experience with Studio9 was Awesome! Mitesh did a wonderful job and executed the project very nicely. He managed to complete my project before time which was fantastic and with good quality of work. I am very much satisfied with the work done by Studio9.”

-Dr. Mohit Saraogi

“Right from the word go from understanding our requirements to designing executing & completing our space, Mitesh & Studio9 Architects team did a fabulous job . He was able to match our budget , the timelines that we had set and deliver it in a pristine condition . Great finishes & craftsmanship giving a Wow factor to our home . They exceeded our expectations & will definitely be working with them again in the future . Highly recommended.”

-Jinesh Shah

“My experience with Studio9 Architects was very good. High quality products are used overall in the project. Feedbacks and concerns if any were solved immediately. The final outcome is great and suitable to every family member.”

-Surjit Singh

Highly recommend Studio9 and their team for their service and craftsmanship! They were also right on schedule with everything which made it very easy for us to transition into our new space.

-Dr. Ushma Patel
